

JOHN 17:1-8

A GOD STRONG PERSON IS...

CONCERNED FOR
THE WORLD

PART 1: REFLECTION

Out of His love for us and the Father, Jesus faithfully and willfully finished His task. In return, how committed to continuing the mission are you?

In what ways could you increase your passion and pursuit of intimacy, unity, and oneness with God in order to see the world believe?

Listen and be encouraged: “Oh my child, that you would know that I love you even as I love Jesus. As I am in Jesus and He is in Me, so we want you to be in us and us in you so that the world will know and believe!”

PART 2: “KNOWING HIM AND MAKING HIM KNOWN!”

This phrase has been a mission statement for a number of organizations as well as individuals. But it was original to Jesus. And what does He want us to know the most? Read and see.

READ JOHN 17:24-26

1. What does Jesus long for us to see and celebrate with him?

2. The world has offered many ideas about God. What does Jesus say about that?

3. The one who is most qualified to share about another person is the one who knows the other person best. Jesus knows the Father and has made Him known. But what does He want us to know most?

PART 2: REFLECTION

Jesus is still praying today that you would know that you are loved by the Father even as He is loved. How does that make you feel?

What might be preventing you from believing in, or from experiencing that love? Ask the Lord for help, insight, healing, or whatever it takes for that love to really be “in you” even as Jesus is “in you.”

Listen and be encouraged: “I have made the Father known to you and will continue to make him known in order that the love with which he loves me may be in you and that I may be in you. Oh that you would really know and revel in the wonder of our love for you!”
